

## **2017 PRICING**

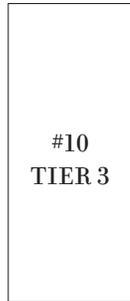

# PRICING TIER 3

For letterpress printing and foil stamping, our pricing is based on its tier (based on size), paper thickness, and how many ink colors your design uses. For digital printing (where you can print many colors simultaneously and only on 1-ply paper) our pricing is based solely on the tier. You can combine any of our printing methods on your order. Any embellishments (such as die cutting, edge painting, envelope lining, etc.) are added to the tier pricing.
